| ↳ Book tours, as applicable.                                                                                                                                                                                                                                                                                                                                                                                                                              |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Confirm with whom the auditor(s) would like to meet during the audit.                                                                                                                                                                                                                                                                                                                                                                                     |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| ↳ Book meetings, as applicable. ( <i>Book virtual meetings via MS Teams or other approved platform for remote audits</i> )                                                                                                                                                                                                                                                                                                                                |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Email the auditor(s) with the times for tours and meetings.                                                                                                                                                                                                                                                                                                                                                                                               |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Book <u>meeting</u> room via RI-portal room reservation application or ORBS for the auditor(s) to conduct the audit.<br><i>For remote audits: book virtual meetings instead.</i>                                                                                                                                                                                                                                                                          |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Book audit entrance meeting (and exit meeting, if possible) including the auditor(s) and the audit preparation team.<br><i>Internal invites should be sent via Outlook.</i><br><i>Entrance meeting usually scheduled on the first day in the morning.</i><br><i>Exit meeting usually scheduled on the last day in the afternoon.</i><br><i>For remote audits: book virtual meetings instead.</i>                                                          |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Request OACIS access for the auditor (see appendices 1, 5, 7 and 8) for auditors. Specify that they are being requested for an audit and provide dates of audit and MRNs of charts you require.                                                                                                                                                                                                                                                           |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Ensure research charts and regulatory binders are neat and organized as per CIM work instructions and RI-MUHC SOPs. Remove any post-it notes. Any outstanding query worksheets/emails should be temporarily removed from charts and returned back to chart after the audit<br>Ensure any documents that should be filed in the medical charts are removed from the research charts and filed in the medical charts (e.g. medication lists and referrals). |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| <i>For remote audits: Paper source should be scanned and uploaded for the auditor's remote access.</i>                                                                                                                                                                                                                                                                                                                                                    |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Prepare a summary of any pending issues and areas of concern, along with clarifications, if applicable.<br>At a minimum, known major deviations must be accompanied by a corrective action and preventive action (CAPA) plan prior to the audit.                                                                                                                                                                                                          |                  | <input type="checkbox"/> | <input type="checkbox"/> |

## Appendix 10: Audit Preparation Checklist

|                                                                                      |                                                  |

| Action Item                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Notes / Comments | Done                     | N/A                      |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|--------------------------|--------------------------|
| Prepare a sign-in sheet and request that all participants sign each day ( <i>For remote audits: take virtual meeting attendance</i> ).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Walk the auditor(s) through how to log in and navigate all applications (e.g. Citrix, Oacis, Shared Drive). If they are not familiar with our site, review appendix 1 and 2 with the auditor(s) — and address any questions the auditor(s) may have on the applications.                                                                                                                                                                                                                                                                                                                                                                                                                           |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| At the entrance meeting, request to meet with the auditor(s) daily, at end of day, to go over any pending issues.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| When photocopies of documents are required: <ul style="list-style-type: none"> <li>Consult with CIM Research manager/supervisor if unsure of the validity of the request and/or compliance with the institutional privacy policies</li> <li>Make two copies of each document requested: one for the auditor, and another for the study team to keep on file</li> <li>Stamp copies of documents as certified copies, sign and date</li> <li>Track all copies provided to the auditor (See appendices 3 and 4)</li> </ul> <i>For remote audits: follow the same process as above, but instead of photocopying documents, email (redacted) documents to the auditor(s) via UHN secure file share.</i> |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Pharmacy tour (if booked): escort auditor(s) to the pharmacy.<br>( <i>Not applicable for remote audits</i> )                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Clinic tour (if booked): accompany the nurse / CRC / manager who will be providing the tour.<br>( <i>Not applicable for remote audits</i> )                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| At the end of each audit day, ensure auditor does not leave with any study material other than the copies provided.<br>( <i>Not applicable for remote audits</i> )                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| If a daily debrief meeting is set up, attend the meeting and note down any auditor questions / comments. Clarify any misunderstandings the auditor/inspector may have.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| <u>Recommended:</u> Prepare a summary after each daily debrief and circulate it to the CIM audit participants.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                  | <input type="checkbox"/> | <input type="checkbox"/> |

| <b>AT THE END OF THE AUDIT</b>                                                                                                                                                                                                                                                                                                                                                                                                     |                  |                          |                          |
| Prior to wrap-up of the audit, book audit exit meeting (if not already booked) including the auditor(s) and the CIM audit participants.<br>Internal invites should be sent via Outlook.<br>Exit meeting usually scheduled on the last day in the afternoon.<br><i>For remote audits: book virtual meetings instead.</i>                                                                                                            |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Bring the following to the <b>exit meeting</b> : <ul style="list-style-type: none"> <li>• Notepad and pen (to document any findings / requests from the auditor)</li> <li>• Any other documents previously requested by the auditor (if applicable).</li> </ul> <i>For remote audits: take virtual meeting attendance.<br/>(Some of the above may not be applicable for remote audits, or provided to the auditor in advance.)</i> |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| At the exit meeting, record all observations given by the auditor and any discussion. Ensure there is a clear understanding of the observations, but do not discuss or promise specific CAPA at this meeting.                                                                                                                                                                                                                      |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Inquire as to when an auditor report can be expected, who it will be forwarded to, and the timeframe in which a response is required.                                                                                                                                                                                                                                                                                              |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| <b>AUDIT FOLLOW-UP</b>                                                                                                                                                                                                                                                                                                                                                                                                             |                  |                          |                          |
| Forward a copy of the final audit report to CIM manager/supervisor, RI-MUHC QA, and CIM Director upon receipt.                                                                                                                                                                                                                                                                                                                     |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| <u>Recommended</u> : Once final audit findings / report is received, book a CAPA meeting, or consult over email, with the CIM audit participants to draft audit responses.                                                                                                                                                                                                                                                         |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| Perform and document actions as described in the CAPA, by the deadline(s) set in the CAPA.                                                                                                                                                                                                                                                                                                                                         |                  | <input type="checkbox"/> | <input type="checkbox"/> |
| File audit documents in appropriate confidential files at the site, which are separate from the investigator site files.                                                                                                                                                                                                                                                                                                           |                  | <input type="checkbox"/> | <input type="checkbox"/> |
