Management of Monitoring Visits and Sponsor Audits	WI-CIM-CR003_01

Certified Copy Verification Log

Upon signing this form, personnel are confirming the uploaded files are an exact copy of the original record and they are complete, legible and accurate. Note the log entry must be initial/dated the day the scan, verification, and upload was performed to permit traceability of the record should any modifications be done to the record following the date it was scanned. If the scan and upload dates differ, enter the dates in the description section of the form.

Protocol Number			
File Name	Description of Scanned Record	Location Saved	Completed by Initials/Date
